PROHIBITION STATUTE

Is Hostile and Venomous, Declares Kansas Judge in Liquor Cases

In refusing the application of Attorney General Jackson for a rehearing of the saloon cases decided a week ago, Judge Gilpatrick, of the Circuit Court, at Leavenworth, Kas., severely criticized the prohibition law.

He referred to the law as "Hostile and venomous to persons who do not agree with it." Last week Judge Gilpatrick ordered the Sheriff to return to the owners the valuable fixtures of one hundred saloons seized by that official.

The state had failed to present evidence that saloon men had sold liquor.

READ THIS AND PROFIT THEREBY!
This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.
The best soap to use for the bath and toilet is PEARSON'S COMPLEXION SOAP, a non-injurious, beautiful soap. Talcum powder keeps the skin cool, always heat rash, stops chaffing and is an excellent toilet requisite. We have a number of kinds.
